(K. Hoffmann, A. Espinosa)

Everybody's scared to say something real
Everybody's scared to do what they feel
Everybody's scared to move from the heart
Everybody's scared
I bet you are

Chorus:

But tonight I'm screaming out
Tonight I'm pouring out
And I'm sending it all to you
Tonight I'm releasing
Not gonna be deceiving
And that's the most real thing I could do
Everybody's scared to say what they mean
Everybody's scared to live their own dream
Everybody's scared, even you
Everybody's scared...I feel it too

Chorus:

Bridge:

Fate's a choice we can't escape
We're faced with fear
And so many times we look within
The mysteries of destiny
Dare to be real
Let illusions fade

Chorus:

Cause tonight I'm screaming out
Tonight I'm pouring out
And I'm sending it all to you
Tonight I'm releasing
Not gonna be deceiving
And that's the most real thing I could do
Real...real...
