[one, two , three!]

The first night that I come home  
So drunk I could not see  
Found a horse in my stable  
Where my horse oughta be  
Come here my little wifey  
Explain this thing to me  
How come a horse in the stable  
Where my horse oughta be?  
You blind fool, you crazy fool  
Can't you never see?  
It's only a milkcow  
You're granny sent to me  
I've traveled this world over  
Ten thousand miles or more  
But a saddle upon a milkcow's back  
I never did see before

The second night that I come home  
So drunk I could not see  
Found a coat a-hanging on the rack  
Where my coat oughta be  
Come here my little wifey  
Explain this thing to me  
How come a coat a hanging a hanging on the rack  
Where my coat oughta be?  
You blind fool, you crazy fool

Can't you never see?  
It's only a bedquilt  
You're granny sent to me  
I've traveled this world over  
Ten thousand miles or more  
Pockets upon a bedquilt  
I never did see before

The third night that I come home  
So drunk I could not see  
Found a head a-laying on the pillow  
Where my head oughta be  
Come here my little wifey

Explain this thing to me  
How come a head a-laying on the pillow  
Where my head oughta be?  
You blind fool, you crazy fool  
Can't you never see?  
It's only a cabbage head  
You're granny sent to me  
I've traveled this world over  
Ten thousand miles or more  
But a moustache on a cabbage head  
I never did see before
