A car alarm at ten a.m.

Doesn't mean I can't sympathize

Doesn't mean I can't close my eyes

For a little while.

A lack of sentimental value

Doesn't mean I don't love you

Doesn't mean I can't touch you in hopes that you'll touch me.

This is all I need to wear : trousers, socks and underwear.

The Year End Issue should bear a comma :

Â« Lose Weight. Read More. Find Osama, Â»

That book's been laying there for weeks ; weeks could mean days.

My heart won't lie, it's always true

Doesn't mean that I love you

Doesn't mean I can't touch you in hopes that you'll touch me

This all I need to wear : trousers, socks and underwear.

Your hand upon my breathing chest

Doesn't mean you love me best

Doesn't mean you fancy this..waiting in the wings

But when I kiss you, know it's true : when I kiss you I

kiss you.

Doesn't mean I can't touch you in hopes that you'll
touch me.
