chorus:

Mammary glands - wo wo! Mother nature's dairy
delight
You can't make cream or butter cause it's just a human
udder
And a natural mammalian sight.
Do you wanna pay to take a peek
At what drives men insane?
Well they're in anthro books galore and I'm
Just sure that you'll adore 'em,
Even cave women have the same two simple
chorus

The men decided that a certain shape
Stands out more than the rest
Well they made such a major issue
Women stuff their bras with tissue,
Thrust shoulders back to look their best, show off their

chorus

If you're more than 36, you are desirable
So don't be shy, they'll pay
For once you finally sold out, you may get a center
foldout
They dig your dugs, you're on the way, with famous
chorus

It's a multimillion dollar enterprise
But no one know what it's about
If we'd think before we'd buy it
We'd bust the myth, we would defy it
And we might stand up and shout, "They're only"
