The long awaited rains

Have fallen hard upon the thirsty ground

And carved their way to where

The wild and rushing river can be found

And like the rain

I have been carried here to where the river flows, yeah

My heart is racing and my knees are weak

As I walk to the edge

I know there is no turning back

Once my feet have left the ledge

And in the rush I hear a voice

That's telling me it's time to take the leap of faith

So here I go

I'm diving in, I'm going deep in over my head, I want to
be

Caught in the rush, lost in the flow, in over my head, I
want to go

The river's deep, the river's wide, the river's water is
alive

So sink or swim, I'm diving in

There is a supernatural power

In this mighty river's flow

It can bring the dead to life
And it can fill an empty soul
And give a heart the only thing
Worth living and worth dying for, yeah
But we will never know the awesome power
Of the grace of God
Until we let our selves get swept away
Into this holy flood
So if you'll take my hand
We'll close our eyes and count to three
And take the leap of faith
Come on let's go
