I can see tears filling your eyes  
And I know where they're coming from  
They're coming from a heart that's broken in two  
By what you don't see  
The person in the mirror  
Doesn't look like the magazine  
Oh, but when I look at you it's clear to me that...  
I can see the fingerprints of God  
When I look at you  
I can see the fingerprints of God  
And I know it's true  
You're a masterpiece  
That all creation quietly applauds  
And you're covered with the fingerprints of God  
Never has there been and never again  
Will there be another you  
Fashioned by God's hand  
And perfectly planned  
To be just who you are  
And what He's been creating  
Since the first beat of your heart

Is a living breathing priceless work of art...  
I can see the fingerprints of God  
When I look at you  
I can see the fingerprints of God  
And I know it's true  
You're a masterpiece  
That all creation quietly applauds  
And you're covered with the fingerprints of God  
Just look at you  
You're a wonder in the making  
Oh, and God's not through, no  
In fact, He's just getting started...  
I can see the fingerprints of God  
When I look at you  
I can see the fingerprints of God  
And I know it's true  
You're a masterpiece  
That all creation quietly applauds  
And you're covered with the fingerprints of God
