Tomorrow morning if you wake up

And the sun does not appear

I, I will be here

If in the dark we lose sight of love

Hold my hand and have no fear

'Cause I, I will be here

I will be here

When you feel like being quiet

When you need to speak your mind

I will listen

And I will be here

When the laughter turns to crying

Through the winning, losing and trying

We'll be together

'Cause I will be here

Tomorrow morning if you wake up

And the future is unclear

I, I will be here

As sure as seasons are made for change

Our lifetimes are made for years

So I, I will be here

I will be here

And you can cry on my shoulder

When the mirror tells us we're older

I will hold you

And I will be here

To watch you grow in beauty

And tell you all the things you are to me

I will be here

I will be true to the promise I have made

To you and to the One who gave you to me

I will be here

And just as sure as seasons are made for change

Our lifetimes are made for years

So I, I will be here

We'll be together

I will be here
