Imagine this... I get a phone call from Regis

He says, "Do you want to be a millionaire?"

They put me on the show and I win with two lifelines to spare

Now picture this... I act like nothing ever happened

And bury all the money in a coffee can

Well, I've been given more than Regis ever gave away

I was a dead man who was called to come out of my grave

And I think it's time for makin' some noise

Wake the neighbors, get the word out

Come on... crank up the music... climb a mountain and shout

This is life we've been given made to be lived out

So la la la la live out loud

Live out loud, yeah

Think about this... try to keep a bird from singing

After it's soared up in the sky

Give the sun a cloudless day and tell it not to shine

Now think about this... if we really have been given

The gift of a life that will never end

And if we have been filled with living hope we're gonna overflow

And if God's love is burning in our hearts we're gonna
glow

There's just no way to keep it in

Everybody, come on

La la la... la la la la

La la la live out loud

I want to hear everybody sing

La la la... la la la la

La la la live out loud, loud loud

Every corner of creation is a living declaration

Come join the song were made to sing
