To all the travelers
Pilgrims longing for a home
From one who walks with you
On the journey called life's road
It is a long and winding road
From one who's seen the view
And dreams of staying on the mountain high
And one one who's cried like you
Wanting to much just to lay down and die
I offer this, we must remember this
We are not home yet
We are not home yet
Keep on looking ahead
Let your heart not forget
We are not home yet
Not home yet
So close your eyes with me
And hear the Father saying "welcome home"
Let us find the strength
In all His promises to carry on
He said, "I go prepare a place for you"
So let us not forget
We are not home yet
We are not home yet
Keep on looking ahead
Let your heart not forget
We are not home yet
Not home yet
I know there'll be a moment
I know there'll be a place
Where we will see our Saviour
And full in His embrace
So let us not grow weary
Or too content to stay
Cause we are not home yet
We are not home yet
Not home yet
So let us journey on
We are not home yet
We are not home yet
So keep on looking ahead
Let your heart not forget

We are not home yet
Not home yet
