My words fall like drops of rain.

My lips are like clouds.

I've said so many things, trying to figure you out.

As mercy opens my eyes, my words are stolen away.

At this breathtaking view of your grace...

Chorus:

And I am Speechless

I'm astonished and amazed

I am silenced by your wondrous grace.

You have saved me

You have raised me from the grave.

And I am Speechless

In your presence now.

I'm astounded as I wonder how

You have shown us the love that leaves us speechless.

So what kind of love can this be

That will trade heaven's throne for a cross

To think that you still celebrate

For finding just one who was lost.

To know you rejoice over this

The God of this whole universe.

It's a story too great for words...

Chorus

Bridge

We are speechless

Oh how great is the love

The Father has lavished upon us,

That we should be called the sons and daughters of  
God

Chorus

We are speechless

We stand in awe of your mercy

You have saved us

(from the grave)

We are speechless

Chorus
