I made a list, wrote down from A to Z
All the ways I thought that You could best use me
Told all my strengths and my abilities
I formed a plan it seemed to make good sense
I laid it out for You so sure You'd be convinced
I made my case, presented my defense
But then I read the letter that You sent me
It said that all You really want from me is just
Whatever, whatever You say
Whatever, I will obey
Whatever, Lord, have Your way
'Cause You are my God, whatever
So strike a match, set fire to the list
Of all my good intentions, all my preconceived ideas
I want to do Your will no matter what it is
Give me faith to follow where You lead me
Oh, Lord, give me the courage and the strength to do
...
I am not my own
I am Yours and Yours alone
You have bought me with Your blood

Lord, to You and You alone do I belong

And so whatever
