heya heya heya heya hey
i'm thinking about you, i'm a little loveshy
got to got to get together be strong
cuz i know our love will be coming and i wont be
loveshy anymore

sometimes i run when i wanna stay
its all about life that we're living
i just gotta watch what ur scheming
cuz when i see u i wanna hide
a little afraid of the feeling
one look at u boy and i'm dreaming

and deep inside there's a love calling out your name
but i'm not the kinda girl who thinks its just a game we
play
don't think that i don't wanna get involved with you
its all i wanna do won't you try and understand

heya heya heya heya hey
i'm thinkin about you i'm a little loveshy baby
got to got to get together be strong
cuz i kno love will be coming and i won't be loveshy
anymore

try to be patient i know its hard
but it'll be worth all the while
with me its a slow kinda style
and when u feel ur intentions stray
remember that love is the reason
the good things in life don't come easy

and though i spend a few saturday nights
on the telephone when i could be touching ur face
for me emotion takes a mighty long time

but soon the light will be shining
and u will start to understand

heya heya heya heya hey
i'm thinkin about you i'm a little loveshy baby
got to got to get together be strong

cuz i kno love will be coming and i won't be loveshy
anymore

heya heya heya heya hey
i'm thinkin about you i'm a little loveshy baby
got to got to get together be strong
cuz i kno love will be coming and i won't be loveshy
anymore

heaven knows that u want someone
who believe thats ur the one forever
so forever i love u
so just hope today i think i'm right

heya heya heya heya hey
i'm thinkin about you i'm a little loveshy baby
got to got to get together be strong
cuz i kno love will be coming and i won't be loveshy
anymore

heya heya heya heya hey
i'm thinkin about you i'm a little loveshy baby
got to got to get together be strong
cuz i kno love will be coming and i won't be loveshy
anymore

heya heya heya heya hey
i'm thinkin about you i'm a little loveshy baby
got to got to get together be strong
cuz i kno love will be coming and i won't be loveshy
anymore
