(I Don't Know If I Can Do This)

Everytime I Found The Words To Say  
What I Thought Would Make Things Okay  
I Kept It All Inside  
Slowly Drowning In My Pride  
I Never Could Admit My Own Mistakes  
Somehow I Thought Things Would Fall Into Place  
And I Made A Change Too Late

Here, Past All The Lights  
Where Everything Is Clear  
Nothing Seems To Change How I Love You  
And Now Your Gonna Leave  
I'm Just Slowly Dying Here Inside  
Trying To Let Go

Baby I Just Thought I Had You Here  
I Thought You Would Not Go Anywhere  
I Abused My Position And I Didn't Care  
And Now You No Longer Talk To Me  
And It Seems That You Have Got Over Me  
I Can Hardly Breathe  
You No Longer Need Me  
I'm Just Sorry I Found Out Late  
With All The Choices I Made  
I Thought Of Me And Not How It Would Be  
To Watch You Watch Away  
I Know I'll Never Make It Right But Everyday I Try  
In Hopes You Might Come Back  
Your Where My Hearts At  
I Have To Find A Way

Here, Past All The Lights

Where Everything Is Clear  
Nothing Seems To Change How I Love You  
And Now Your Gonna Leave  
I'm Just Slowly Dying Here Inside  
Trying To Let Go

And Everytime I Think Of You

Its Hard For Me To Think Of What I Can Do  
I Used To Have You Here Beside Me  
I Just Want You Here Beside Me Baby  
How Can The Sun Keep Shining  
When My Whole Body Is Crying  
I Know I Never Told You Why  
I Need You In My Life

Oh Ooh Ooohhhhh

Here, Past All The Lights  
Where Everything Is Clear  
Nothing Seems To Change How I Love You  
And Now Your Gonna Leave  
I'm Just Slowly Dying Here Inside  
Trying To Let Go

I Tryed To Let Go  
But I Cant Let You Go  
I Tryed To Let Go  
But I Cant Let You Go  
I Tryed To Let Go  
But I Cant Let You Go  
(Tryed To Let Go)
