So they say it's better to have loved and lost  
But right now I wish I never loved at all  
Cause I gave you everything that I had never say your  
sorry  
And you say that you can take away the pain  
But I'm tired of games, tired of fights all these years  
Cause I know that there is nothing you can do to uncry  
all my tears  
(Uncry all these tears)

Chorus:  
Cause you can't  
Unhurt me Unbreak me Unsay the words you say  
When you told me that you really didn't love me  
anymore  
And I know that I can't  
Un-need you Uncare for you unwish that you would to,  
But I promise I promise I promise, promise myself I'll  
try  
To Unfall In love

So sometimes I find myself still holding on  
But I know that letting go will make me strong  
There had been a time I'd give you my last breathe  
But I'd given you just everything I had  
Now there's no more to give... youuu you cant.

(Chorus)

Oh I will be okay, oh I will make it  
If the sun comes out today (if the sun comes out today)  
Oh I will be okay, oh I will make it  
Cause I know I'll find a way

Still I know you can't  
Unhurt me unbreak me unsay the words you said  
When you told me that you really didn't love me  
anymore  
(Love me anymore)  
And I know that I can't  
Unneed you uncare for you unwish that you were to.

But I don't know if I can find it in my heart  
To unfall in love
