I want I want I want I want what
I want I want I want I want who
I want I want I want I want what
I want I want I want I want who
I want I want I want I want what
I need I need I need I need what
I need I need I need I need who
I want I want I want I want what
I want whoooooooooo

Tonight
She's not broken
I know it's broken
Oohooh
Everybody I meet
You're safe tonight
She's not broken
Not broken
He's on his last red cent
Uh uh
Broken

Who took the wig tonight
Who's in the box
Broken
Oh spirits, take it away
It's broken

Sammy says he used his every step, his every breath
Broken
I saw the glasses yesterday
So what does anybody say
Broken

Faith was a word I heard (repeat 5 times)

Faith was a word I heard
Broken

My best ah
She's not broken

Yeah

You're safe tonight
She's not broken
Not broken

Who got the box
Who got the jewels
Who got everything else
You want to use
It's broken
Who knows the light

Who knows the way
Where did my Messiah go
He said I know and I'm gonna tell you so
Gabriel
I know (repeat)
