Lovin' you
All I wanna do
(All I wanna do)
This feels so right

I'm lovin' you
All I wanna do
(All I wanna do, know)
'Cause I like the way
I'm lovin' you

I used to run, I used to hide from love
But now I'm satisfied
'Cause you showed me that love could be
So good, so real and oh, so right

So many things I used to let get in my way
Now I open up my arms and say, "Hey"

Lovin' you
It's all I wanna do
For the rest of my life
This feels so right

I'm lovin' you
It's all I wanna do
For the rest of my days
'Cause I like the way
I'm lovin' you
(Lovin' you)

I'm lovin' you

An open book, an open door
That's what you are and I thank you for
The heart you give that's sensitive
You're all I need and you're so much more

I used to fill each hour of each single day
Now I slow it down enough to say, "Hey, hey"

Lovin' you

It's all I wanna do
For the rest of my life
This feels so right

I'm lovin' you
It's all I wanna do
For the rest of my days
'Cause I like the way
I'm lovin' you

I'm lovin' you
Don't you know I'm lovin' you

(E-e-every day)
E-e-every day
(E-e-every night)
Holding me close

Never had a lover
Make me feel so right
Never had another
(Never make me feel so right)
Never let you go

All I wanna do
This feels so right

I'm lovin' you
(I'm lovin' you)
All I wanna do
(All I wanna do)
The rest of my days
'Cause I like the way

I'm lovin' you
It's all I wanna do
For the rest of my life
This feels so right

I'm lovin' you
All I wanna do
For the rest of my life
'Cause I like the way

I'm lovin' you
(You showed me what love can be)
All I wanna do
This feels so right
(It's alright)

I'm loving you

It's all I wanna do
(All I wanna do)
'Cause I like the way

I'm lovin' you
All I wanna do
This feels so right
