I wish my heart was bulletproof
I could withstand these shots from you
But somehow I'm pullin' through
In spite of all the pain I held on to
You tried to shoot me down
Your shells fell on the ground
I'm sendin' 'em back to you
I wish my heart was bulletproof
I could withstand these shots from you
If I was bulletproof

You were once the world to me
I was livin' with no doubt in my mind
Takin' my time
I was blind, I couldn't see
Small fish in a big pond
Summer, you made me fall
No matter who was gonna try to get me off your hands
But a young girl was just tryna find her heart
And now it's just too hard...

If my heart was bulletproof
I could withstand these shots from you
But somehow I'm pullin' through
In spite of all the pain I held on to
You tried to shoot me down
Your shells fell on the ground
I'm sendin' 'em back to you
I wish my heart was bulletproof
I could withstand these shots from you
If I was bulletproof

I could withstand these shots from you
If I was bulletproof
I could withstand these shots from you
If I was bulletproof

You start to lie to numb the pain
Kinda hopin' that tonight it would rain
I'm goin' insane
Everybody laughs at me
They don't know what I've been through

I remember you name poppin' in my head

How you always left me bruised
But I guess it was my fault anyways
'Cause I continued to let you too
And now I wish that

If my heart was bulletproof
I could withstand these shots from you
But somehow I'm pulliin' through
In spite of all the pain I held on to
You tried to shoot me down
Your shells fell on the ground
I'm sendin' 'em back to you
I wish my heart was bulletproof
I could withstand these shots from you
If I was bulletproof

And all the times I held on to
I could of sworn that we'd be fine
But you had to go and mess it up
You really blew my mind
It didn't have to be so hard
But it seems you made it clear
So go ahead and take your shots
I'm bulletproof; I'm standin' right here
Oh....

If my heart was bulletproof
I could withstand these shots from you
But somehow I'm pulliin' through
In spite of all the pain I held on to
You tried to shoot me down
Your shells fell on the ground
I'm sendin' 'em back to you
I wish my heart was bulletproof
I could withstand these shots from you
If I was bulletproof

I could withstand these shots from you
If I was bulletproof
From you, from you
I could withstand these shots from you
If I was bulletproof
