(Verse)

See your face, time frozen
Waking up is the hardest moment now
When you're not around.

(Verse)

Second hand, stuck emotion
Missing minutes like the time was stolen out
And it was running out.

Eyes closed, my hand search the air
Something that's not there

(Pre-Chorus)

And I, I need your help to catch my dream
Cause every day without you seems
Like it's slipping through my fingertips
And I don't know what it means
Cause every night when I'm alone,
I dream about you coming home
Won't you be my dreamcatcher?

(Chorus x2)

Oh dreamcatcher, catcher
Oh dreamcatcher, catcher
Oh dreamcatcher, catcher
Won't you be my dreamcatcher?

(Verse)

Storm clouds, sky falling
Alone now, but I hear you calling out
I feel you closer now
Eyes closed, my hand search the air
For once I'm not scared

(Pre-Chorus)

But now I, I need your help to catch my dream
Cause every day without you seems
Like it's slipping through my fingertips
And I don't know what it means
Cause every night when I'm alone,
I dream about you coming home
Won't you be my dreamcatcher?

(Chorus x2)

Oh dreamcatcher, catcher
Oh dreamcatcher, catcher
Oh dreamcatcher, catcher
Won't you be my dreamcatcher?

(Bridge)

As I stare into the sky
I swear that I can see your eyes
Staring back at me
And I start to feel alive
No matter where you are
You got me through the dark
No more in or out for me
Won't you be my dreamcatcher?

(Chorus x2)

Oh dreamcatcher, catcher
Oh dreamcatcher, catcher
Oh dreamcatcher, catcher
Won't you be my dreamcatcher?
