(Verse)

Just another season
Leaves us on the change
Just another reason
I can't live with the blame

(Pre-Chorus)

People talking, I'm just walking,
Trying to find my way
Now I'm solo hard to let go,
These feelings never change

(Chorus)

Hold on, hold on to the future we believe in hey now
And now hold on, hold on to my dreams while I am sleeping
Boy I knew it from the very start, always be the light in the dark
'Cause I hold on, hold on to the day be born again

(Verse)

All you wanted,
It's you to feel my pain
All I ever wanted,
If you would feel the same

(Pre-Chorus)

People talking, I'm just walking,
Trying to find my way
Now I'm solo hard to let go,
These feelings never change

(Chorus)

Hold on, hold on to the future we believe in hey now
(I said hold on) Hold on, hold on to my dreams while I am sleeping
Boy I knew it from the very start, always be the light in the dark
'Cause I hold on, hold on to the day be born again

And I hope it's not too late
'Cause I know we forever can start today
Forever can start today, yeah

(Chorus)

Hold on, hold on to the future we believe in hey now
Hold on, hold on to my dreams while I am sleeping
Boy I knew it from the very start, always be the light in the dark
'Cause I hold on, hold on to the day be born again

Hold on, hold on
Hold on, hold on

Uh yeah yeah yeah, hold on
Hold on
