I still remember the day that we met I hung on to every word that you said asked me to surrender and that's what I did and you broke my heart again and again so now you are sorry like you are in love but where were just sorry when you broke it all up
I told myself never again there ain't no way I'm letting you in because I keep remembering when you played me I cried me a river, I cried me a sea, I cried me an ocean, I cried me a stream I'm fresh out of tear drops you got me on E I'm out of the motion, got nothin in me and I would've done anything in the world for you I would've done anything that you told me to I cried me a river I cried me a sea and I ain't got nothin left in me you can't have my number don't wanna be friends I don't care to see you now and then it's not that I'm bitter it's just that I'm done my heart finally said enough's enough so now you are sorry like you are in love well you wasn't sorry when you messed it all up I told myself never again there ain't no way I'm letting you in because I keep remembering when you played me I cried me a river, I cried me sea, I cried me an ocean, I cried me a stream I'm fresh out of teardrops you got me on E I'm out of the motion, got nothin in me and I would've done anything in the world for you I would've done anything that you told me to I cried me a river, I cried me a sea and I ain't got nothin left in me just in case you're not clear and you think there's a chance there is no way you'll get near this or have me again until hell is frozen over you need to understand you'll never get with me again I cried me a river, I cried me a sea, I cried me an ocean, I cried me a stream I'm fresh out of teardrops you got me on E I'm out of the motion, got nothin in me and I would've done anything in the world for you I would've done told me anything that you to I cried me a river, I cried me a sea and I ain't got nothin left in me I cried me a river, I cried me a sea, I cried me an ocean, I cried me a stream I'm fresh out of teardrops you got me on E I'm out of the motion, got nothin in me and I would've done anything in the world for you I would've done anything that you told me to I cried me a river, I cried me a sea and I ain't got nothin left in me I cried me a river, I cried me a river, I cried me
