(Make a girl, make a girl. Make a girl, make a girl.)

I like Prada, I like Gucci. I'm not spoiled, it just suits me.
I'm not that girl that takes both worlds, but I'm not
saying that girl for girl. I just like to think the beautiful,
should live a life of comfortable. Black or white, big or
small, or brown or yellow, short or tall. I so do believe
(so do believe), that's how it should be (how it should
be), you want some of me.

(Chorus)

You know what i want. You know what I need. So why
you complaining, bout spending your cheese? You
know what I want (what i want), when you came to me
(you came to me). You kno I'm high maintenance, but
don't you just make a girl happy?

[Make A Girl Happy Lyrics On]

Boy I can be sweet outta anything, if you wanna be with
me, gotta be good to me. Baby (baby), you know (you
know), you know, you know.

(Chorus)

You know what i want, you know what I need. So why
you complaining, bout spending your cheese? You
know what I want, when you came to me. You know I'm
high maintenance, but don't you just make a girl
happy?

(Chorus)

You know what i want, you know what I need. So why
you complaining, bout spending your cheese? (you
know) You know what I want, when you came to me. You
know I'm high maintenance, but don't you just make a
girl happy?

(Make a girl, make a girl. Make a girl, make a girl happy
(happy). Make a girl happy...)
