(Bridge)

I'm not afraid of ghosts
I had to let you go

(Verse)

I sit in my bedroom with nothing but candles on
No TV on, I choose
The pain, it now has begun to taking over my heart
The only comfort that I had

(Verse)

Just keep me going
He's leaving, he's out the door
And so I cried for a week or two
To get over you, I want you to know that

(Pre-Chorus)

I'm not afraid of ghosts
And that's all you only need
I had to let you go
But you just didn't wanna leave

(Chorus)

You can hold me
(Hold me down)
Hold me
(Hold me down)
Hold me, whatever you wanna do
Baby you know why I'm not afraid of ghost
And that's all you only need

(Verse)

If I can wake up right now
I'm drowning in nightmares, I wanna be
Able to get up again
So I can open up the blinds

(Verse)

But there is a light that can see me
So I choose to fight, I'm not getting in
Got my eyes closed so tightly
And I'm not afraid, I want you to know that

(Pre-Chorus)

I'm not afraid of ghosts
And that's all you only need
I had to let you go
But you just didn't wanna leave

(Chorus)

You can hold me
(Hold me down)
Hold me
(Hold me down)
Hold me, whatever you wanna do
Baby you know why I'm not afraid of ghost
And that's all you only need

(Verse)

I'm not afraid to close my eyes at night
I'm not afraid
And I won't let you beat me down inside
I'm not afraid, no

(Verse)

I'm not afraid to tell you that you won't get my love
I'm not afraid to finally prove myself number 1
Not afraid
Not afraid, no

(Pre-Chorus)

I'm not afraid of ghosts
And that's all you only need
I had to let you go
But you just didn't wanna leave

(Chorus)

You can hold me
(Hold me down)
Hold me
(Hold me down)

Hold me, whatever you wanna do
Baby you know why I'm not afraid of ghost
And that's all you only need

(Verse)

If I can wake up right now
I'm drowning in nightmares, I wanna be
Able to get up again
