Yeah baby, oh, oh, oh
Oh, oh, oh

It was nothing like you said, still broken in two uh, yeah
And its not the way I planned staying here without you
So I wanna boy, you kill the proud of me
The heard of me, the best of me!
So, Im not your girl, boy, its hard to please
The stars fall out the galaxy and our love fades off into
memories
Im lost in the world alone, baby now that youre gone,
gone, gone!

Chorus:

Im wasting the way
Cant handle the pain
Im shed into pieces, now theres nothing to say
I tried to be strong, theres no holding on
Baby, now Im lost in the world alone!

Now that youre gone
Now I stir up my mind still thinking about you, yeah
I dont care whats what wrong or right,
All I got is the truth!
Just ..boy, I need you here with me
Oh, the destiny, my only gravity
If Im not your girl, boy, I just cant breathe
Its like the stars are out of your galaxy
Our love fades off into memories, m lost in a world
alone
Baby, now that youre gone, gone, gone!

Chorus: (x2)

Im wasting the way
Cant handle the pain
Im shed into pieces, now theres nothing to say
I tried to be strong, theres no holding on
Baby, now Im lost in the world alone!

You see, I try to be strong but there just aint a way
That I can keep on fighting, yeah

Wish I can forget you, baby I miss you!
Im stuck in this world alone!

Chorus: (x2)
Im wasting the way
Cant handle the pain
Im shed into pieces, now theres nothing to say
I tried to be strong, theres no holding on
Baby, now Im lost in the world alone!
Now that youre gone, now that youre gone
Now that youre gone, now that youre gone
Now that youre gone, now that youre gone
