### Intro

Baby, Powerless

I'm about, I'm about to leave you

I'm about to leave you powerless

### Verse 1:

You held me down for too long

Batter charged up now I'm on

I'll flip your breaker now

And take your recharging off of me

Drain me emotionally

Though I could ride on empty

So I brought a back up

Knowing you'd be back up in the outlet

I feel

### Pre-Chorus:

(Pull the)

Electricity (power)

This is it for me

It's about to be, It's about to be lights out

(Pull the)

This is History (siren)

Solve the mystery

It's about to be, It's about to be lights out

### Chorus

What you think this is

I'm bout to flip off the switch

And shut it down baby

I'm bout to leave you powerless-less

Leave you powerless-less

Is it a false alarm

Is it a false alarm

(I'm about to leave you powerless)

What you think this is

I'm bout to flip off the switch

And shut it down baby

I'm bout to leave you powerless-less

Leave you powerless-less

Is it a false alarm

(I'm about, I'm about to leave you)  
Is it a false alarm  
(I'm about to leave you powerless)

Verse 2:

Now that your circuit is blown  
In the dark and you alone  
Taking out your fuses  
Now you're just useless  
No more doing me wrong  
Stole all of my energy  
Couldn't just, just let me be  
Thought you was golden  
Now I'm withholding everything that you need

Pre-Chorus:

(Pull the)  
Electricity (power)  
This is it for me  
It's about to be, It's about to be lights out  
(Pull the)  
This is History (siren)  
Solve the mystery  
It's about to be, It's about to be lights out

Chorus

What you think this is  
I'm bout to flip off the switch  
And shut it down baby  
I'm bout to leave you powerless-less  
Leave you powerless-less  
Is it a false alarm  
Is it a false alarm  
(I'm about to leave you powerless)

What you think this is  
I'm bout to flip off the switch  
And shut it down baby  
I'm bout to leave you powerless-less  
Leave you powerless-less  
Is it a false alarm  
(I'm about, I'm about to leave you)  
Is it a false alarm  
(I'm about to leave you powerless)

Bridge

Your body's having a blackout  
Before you ask what's that about  
Let's recall how you tapped right into me  
Used up all of my life line  
Took too much of my life

I'm putting all of the power back into me

Chorus:

What you think this is  
I'm bout to flip off the switch  
And shut it down baby  
I'm bout to leave you powerless-less  
Leave you powerless-less  
Is it a false alarm  
Is it a false alarm  
(I'm about to leave you powerless)

What you think this is  
I'm bout to flip off the switch  
And shut it down baby  
I'm bout to leave you powerless-less  
Leave you powerless-less  
Is it a false alarm  
(I'm about, I'm about to leave you)  
Is it a false alarm  
(I'm about to leave you powerless)

Outro:

(Flip off the switch and shut it down baby)  
I'm about, I'm about to leave you  
I'm about to leave you powerless
