It's sabotage now
I keep prayin' she'll leave me alone (Leave me alone)
But she keeps waitin' outside of my home

I've got an angel on the left sayin' "Don't give in"
But the devil on the right sayin' "Let her in"
She won't stop kickin' down my door.

Each time I try to be the good girl,
I let myself get in the way
I try so hard to fight the bad girl
But she's here to stay

It's sabotage all (Over and over again)
It's sabotage all (Over and over again)
It's sabotage all (Over and over again)
Now my heart is broken (All over again)
It's sabotage now

I can't hold on to the guys I like
'Cause she keeps lookin' with wondering eyes

I've got an angel on the left screamin' "Get away!"
But the devil on the right sayin' "Time to play"
And I can't take it anymore
It's sabotage now

Each time I try to play the good girl
I let myself get in the way
I try so hard to fight the bad girl
But she's here to stay

It's sabotage all (Over and over again)
It's sabotage all (Over and over again)
It's sabotage all (Over and over again)
Now my heart is broken (All over again)
It's sabotage now

When I fall in love
I cause myself so much pain
I sabotage my heart (and)
And I don't know how to change

It doesn't matter what I say, what I do
'Cause in the end she always wins, I always lose
I need to get her out of my life
Oh

Each time I try to play the good girl
I let myself get in the way
I try so hard to fight the bad girl
But she's here to stay

It's sabotage all (Over and over again)
It's sabotage all (Over and over again)
It's sabotage all (Over and over again)
Now my heart is broken (All over again)

It's sabotage all (Over and over again)
It's sabotage all (Over and over again)
It's sabotage all (Over and over again)
Now my heart is broken (All over again)
It's sabotage now
