So young and vulnerable, told myself
in order to feel the joy,
I had to go through the pain.

I lost track of tears I've had through the years,
even convinced myself that I was the one to blame

all the searchin',
that they've broken,
had to pick up the pieces
be sad for the reason.

now I'm so glad,
to be with you.
had a breakthrough.

Finally know how it feels to be loved by somebody.
be loved by somebody
to be loved by somebody, body.
be loved by somebody, body.
to be loved by somebody.
be loved by somebody
to be loved by somebody, body
be loved by
you make me say
oh oh oh oh.
oh somebody.
oh somebody body
oh oh oh oh
oh somebody
oh somebody body

releasing myself from the negative.
learning from my mistakes,
so I'm never hurt again.
(I, I had to)
tear down the walls around my heart.
lift myself open for love
and I'm so happy I didn't cry.

All the searchin', yeah

that they've broken. oh
had to pick up the pieces
be sad for the reason.

Now I'm so glad, I'm so glad
to be with you
had a breakthrough

Finally know how it feels to be loved by somebody.
be loved by somebody
to be loved by somebody, body.
be loved by somebody, body.
to be loved by somebody.
be loved by somebody
to be loved by somebody, body
be loved by
you make me say
oh oh oh oh.
oh somebody.
oh somebody body
(you make me say)
oh oh oh oh
oh somebody
oh somebody body

Now that I found you baby,
I ain't ever gonna let you go.
I want to tell the world how good it feels
to be loved by somebody.
be loved by somebody
to be loved by somebody, body
to be loved by somebody
be loved by somebody
to be loved by somebody, body.
be loved by
you make me say
oh oh oh oh
oh somebody
oh somebody body
oh oh oh oh
oh somebody
oh somebody body
