Ten billion years
Ten billion years
Ten billion years
Ten billion years
Ten billion years
Ten billion years

(Verse)

Your hands awesomely descend
With my skin it bind
This must explain why you send me

(Verse)

Your lips can decode and wind
So tasteful each time
You placed them inside of mine!

(Chorus x2)

So I say Heaven,
Heaven, Heaven
Can a girl get like?
Can a girl get like?
Can a girl get like?
Ten billion years
Ten billion years
Like ten billion years
Ten billion years

To love
To love to him
To love
To love
To love to him
Like ten billion years

(Verse)

Like every touch being here on a limit supply
Makes a girl go numb inside
This must explain why you thrill me!
Cause I can't imagine, no
You not being near me
Your beautiful love not travelling with me
Oh, oh, I would go out of my mind!
I would go out of my mind!

(Chorus x2)

So I say Heaven,
Heaven, Heaven
Can a girl get like?
Can a girl get like?
Can a girl get like?
Ten billion years
Ten billion years
Like ten billion years
Ten billion years

To love
To love to him
To love
To love
To love to him
Like ten billion years

(Bridge x2)

I could have 100 years with you
But that would go away too soon
That just wouldn't do
Like ten billion years!

(Chorus)

So I say Heaven,
Heaven, Heaven
Can a girl get like?
Can a girl get like?
Can a girl get like?
Ten billion years
(Ten billion years)
Like ten billion years
(Ten billion years)

Ten billion years
Ten billion years
Ten billion years
Ten billion years
Ten billion years
Ten billion years
