Stand up, shut up, gonna shake the dust off
Get back up on that horse again
Rediscover words like lover
First things first gettin' rid of him
I'm gonna paint my bedroom
I might even paint the town

This time I'm gonna make a clean break
This time I'm gonna start with a clean slate
My bounce back, beating, all time healing
Hearts gonna be okay
'Cause it's a clean break
It's a clean break

This place, no trace, I'm gonna erase
Everything that has to do
His touch, his love, anything I think of
That keeps me from something new
I'm gonna take his memory
I'm gonna burn it down

This time I'm gonna make a clean break
This time I'm gonna start with a clean slate
My bounce back, beating, all time healing
Hearts gonna be okay
'Cause it's a clean break
It's a clean break

Clean break
I'm breakin' all down
Break it right down the middle
Then you break it way out
Break it hard, break it fast
Don't break it slow
Hit him with a clean break then you go

This time I'm gonna make a clean break
This time I'm gonna start with a clean slate
My bounce back, beating, all time healing
Hearts gonna be okay
Oh, 'cause it's a clean break
It's a clean break
