I've been waiting on that hauled down train
It's been a long long week and I swear
Nothings gonna get in my way
Put my high heels on
And my wrangler jeans
My favorite wet and wild lipstick Number 503
Its time right now
To throw it down

All you girls stand up
Put your hands up
Come on lets rock
Gonna go all night
Gonna watch the dust fly
Show em what we got
Come on lets take a ride on top of the world
All you soul shaking heartbreakin little cowgirls

ye-hah[Cowgirls Lyrics On]

Three songs in and we're up on that bar
Everybody cheers us on and
We shine like rhinestone stars
Turn that jukebox up
Lay your money down
All you cowgirls here
Yippy-yay-kiy-yo for another round
Jump on in, Here we go again

All you girls stand up
Put your hands up
Come on lets Rock
Gonna go all night
Gonna watch the dust fly
Show em what we got
Come on lets take a ride on top of the world
All you soul shakin heartbreaking little cowgirls

Whoo
Ye-hah

Just when you think
The nights all done
We're just gettin started
To have a little fun

All you girls stand up
Put your hands up
Come on lets Rock
Gonna go all night
Gonna watch the dust fly
Show em what we got
Come on lets take a ride on top of the world
All you soul shakin heartbreaking love making little
cowgirls
