Those days of love are gone  
Our time is through  
Still I burn on and on  
All of my life,  
Only for you.

From now,  
Until forever and ever,  
My darling, forever  
You will always be the only one  
You will always be the only one.

As long as I shall live,  
I'll hold you dear  
And I will reminisce,  
Of our love all through the years.

From now,  
Until forever and ever,  
My darling, forever  
You will always be the only one  
You will always be the only one.

If you should ever need me,  
Unfailingly, I will return to your arms,  
And unburden your heart  
And if you should remember,  
That we belong together,  
Never be ashamed,  
Call my name  
Tell me I'm the one you treasure.

Oh, forever and ever,  
My darling, forever  
You will always be the only one  
You will always be the only one  
Yeah, you will always be the only one,  
Forever, yeah you.
