I got money in my pocket
I got a map in my front seat
I got a sweet kiss from my momma
Her lipstick still on my cheek

I got a good luck from my daddy
And my sister's favorite dress
Oh, I miss them all already
And it ain't even been ten miles yet

I know this ain't good bye forever
I know I can come back anytime I want to
My dreams are callin'
I know it's now or never
All I gotta do is remember where my heart is
When I get homesick
Homesick

I got a one bedroom apartment
A view of 16th avenue
I got my grandpa's old guitar
And in my head a picture of you

I know this ain't good bye forever
I know I can come back anytime I want to
My dreams are callin'
I know it's now or never
All I gotta do is remember where my heart is
When I get homesick
Homesick

If these dreams
Work out like I planned
They're gonna take me far
But, no matter how far

I know this ain't good bye forever
I know I can come back anytime I want to
My dreams are callin'
I know it's now or never
All I gotta do is remember where my heart is
When I get homesick

Homesick
Homesick
Homesick
