I don't need a lot of things  
I can get by with nothing  
With all the blessings life can bring  
I've always needed something  
But I've got all I want  
When it comes to loving You  
You're my only reason  
You're my only truth  
[chorus]  
I need You like water, like breath, like rain  
I need You like mercy from heaven's gate  
There's a freedom in your arms that carries me  
through  
I need You  
You're the hope that moves me  
To courage again  
You're the love that rescues me  
When the cold winds rage (yeah)  
And it's so amazing 'cause that just how You are  
And I can't turn back now, You brought me too far  
[chorus]  
I need You like water, like breath, like rain  
I need You like mercy from heaven's gate  
There's a freedom in Your arms that carries me  
through  
I need you  
I need you (oh oh oh)  
I need you (oh oh oh)  
Oh-oh
