Yeah, yeah, yeah  
When he asked me out for dinner  
Did I say yes to fast  
Does this dress look to churchy  
Is this red lipstick to white-trash  
Should I just get a salad  
Or go on and get a steak  
Will he think I'm to expensive  
Or to worried 'bout my weight

Sometimes I wish  
I could tell my brain  
To just shut up  
'Cause I know the more I think  
I think I think too much  
Yeah, I think I think too much

Can I see this goin' somewhere  
Is he the kind that can't commit  
Would my mom and daddy like him  
Would we make good-looking kids  
Should I ask him in for a minute  
Or just kiss him on the cheek  
Is he too sweet, too smart  
Will he break my heart  
Oh, what's wrong with me

Sometimes I wish  
I could tell my brain  
To just shut up  
'Cause I know the more I think  
I think I think too much  
Yeah, I think I think too much

Should I call him up in the mornin'  
Or wait on him and take it slow  
Yeah, I think I really like him  
But, there's just one thing I know  
I think too much  
I think I think too much

Sometimes I wish

I could tell my brain  
To just shut up  
'Cause I know the more I think  
I think I think too much  
Yeah, I think I think too much

Sometimes I wish  
I could tell my brain  
To just shut up  
'Cause I know the more I think  
I think I think too much  
Yeah, I think I think too much

Yeah, I think I think  
I think I think  
I think I think too much
