Verse 1:

My favorite addiction,
you're no good for me.
But all this attraction
makes it hard to see
the line
between what's right and what I wanna do.
So I gotta tell you

Chorus 1:

I'm gonna pack my bags
leave a lipstick letter,
take the first plane outta town.
I can't lie, I won't cry, I won't tell you goodbye,
and I won't turn around.
You're gonna be a sweet memory,
but you'll never be Mr. Right.
I'm gonna leave you baby.
Yeah someday I'll leave you baby.
Just not tonight.

Verse 2:

You're so beautiful.
You make me feel so free.
And I get so emotional
when your lips touch me.
I just can't breathe!
But deep inside I know this can't work out.
So any day now

(Repeat Chorus 1)

Bridge:

'Cause I'm drownin' here in your eyes,
and baby it feels like paradise.
I know I need to leave you,
but I can't leave you.
I can't leave you now!

Chorus 2:

You're gonna be a sweet memory,
but you'll never be Mr. Right.

I'm gonna leave you baby.
Yeah someday I'll leave you baby.
Just not tonight.
Oh no
Not tonight.
No no no no no
