Ooh yeah, my favorite addiction  
You're no good to me but all this attraction  
Makes it hard to see the line  
Between what's right and what I wanna do  
So I've got to tell you

I'm gonna pack my bags, leave a lipstick letter  
Take the first plane out of town  
I can't lie, I won't cry, I won't tell you goodbye  
And I won't turn around

You're gonna be a sweet memory  
But you'll never be Mr. Right  
I'm gonna leave you, baby  
Yeah, someday I'll leave you, baby, just not tonight

You're so beautiful, you make me feel so free  
And I get so emotional when your lips touch me  
I just can't breathe  
But deep inside I know this can't work out  
So any day now

I'm gonna pack my bags, leave a lipstick letter  
Take the first plane out of town  
I can't lie, I won't cry, I won't tell you goodbye  
And I won't turn around

You're gonna be a sweet memory  
But you'll never be Mr. Right  
I'm gonna leave you, baby  
Yeah, someday I'll leave you, baby, just not tonight

'Cause I'm drowning here in your eyes  
And baby, it feels like paradise  
You know I need to leave you  
But I can't leave you, I can't leave you now

You're gonna be a sweet memory  
But you'll never be Mr. Right  
I'm gonna leave you, baby  
Yeah, someday I'll leave you, baby, just not tonight

Oh, no, not tonight  
No, no, no, no, no
