Who can say for certain?
Maybe you're still here
I feel you all around me
Your memories so clear
Deep in the stillness
I can hear you speak
You're still an inspiration
Can it be
That you are mine ,
Forever love,
And you are watching over me
From up above?
Fly me up to where you are
Beyond a distant star
I wish upon tonight
To see you smile
If only for a while
To know you're there
A breath away's not far to where you are
Are you gently sleeping
Here inside my dream?
And isn't faith believing
All power can't be seen?
As my heart holds you
Just one beat away
I cherish all you gave me
Everyday
'Cause you are mine,
Forever love,
Watching me
From up above
And I believe
That angels breathe
And that love will live on
And never leave
Fly me up to where you are
Beyond a distant star
I wish upon tonight
To see you smile
If only for a while
To know you're there
A breath away's not far to where you are

I know you're there
A breath away's not far to where you are
