(Mom) Christopher its time for bed
(Kid) Ahhh mom I dont want to go to bed
(Mom) Common
(Kid) Ok will you read me a bed time story please
please
(Mom) Ok you get to bed and Ill get the story book
(Mom) You all tucked in
(Kid) Yea
(Mom+Kali) Here we go,

Heres the story
About a little boy who wasnt so bad
Stylin but he feelin so sad
As a young lad he lost his dad
Momma didnt have much
But thankful for the things she had
Mom and sister was the parent and system
Tucked him in his bed at night (goodnight)
Then on his head she kissed him
The lights go out
Thats when it started yeah
Little Christopher became very scared
So then in his closet
things began to move back and forth
That of course all in his head
Dont eat no sugar for bed
Whats the meaning
Waking up from a dream screaming
All the while singing that

[Chorus:]
I got an upside down
Smile and I
Got to wipe my frown
Dry my eyes
Kids this is how it is when you're older
Wake up and you're bipolar
an upside down
Smile and I
Got to wipe my frown
Dry my eyes
Kids this is how it is when you;re older

Wake up and you're bipolar

[Verse2:]

Before he became a man
He almost lost his fam
Since his momma
Get in the school bathroom promadin
Shakin up mood swings

Cool swings
From wakin up
Dude seems cool
but really breakin up
People go in and out of his life
He missed out on his wife
So he decides to go and grab a knife
And take himself to the other side of the sun
Cause if he stays here then more pain'll just come
Take him away from this
Cause he couldnt escape from this
Hed even pay to make this his last day
Then a ray from the sky (sky) shined on him
And god (god) smiled on him
Now the whole (whole) world gets to hear him sing that

[Chorus:]

I got an upside down
Smile and I
Got to wipe my frown
Dry my eyes
Kids this is how it is when you're older
Wake up and you're bipolar
an upside down
Smile and I
Got to wipe my frown
Dry my eyes
Kids this is how it is when you;re older
Wake up and you're bipolar

Pull yourself up out it
Even if you doubt it
You can live without it
Just forget about it
I know you tried to drown u
Tried to get up out it
Head to the sky and shout it

[Chorus:]

I got an upside down
Smile and I
Got to wipe my frown

Dry my eyes
Kids this is how it is when you're older
Wake up and you're bipolar
an upside down
Smile and I
Got to wipe my frown
Dry my eyes
Kids this is how it is when you're older
Wake up and you're bipolar
