Genius

A person of great and original creative ability

Of extreme talent and superior intellect

This is genius

Chip on my (chip on my)

[Chorus:]

Shoulder

I can't hold it in much longer

Words are gettin' stronger

I'm gettin' closer to you

You're closer to me

So knock the chip off and we'll see

[Verse 1:]

Now I got a chip on my shoulder

Might as well be a boulder

I'm holdin' it [?]

And I got a holy road of motors

Take a bite off my, right off my plate

Then I'm leavin' a piece [?]

[?] the meat with no seasoning

You can't even it out with a steam roller

I steamed over your free thrower

Sick in style is Ebola

He colder than a mouth full of Ricola

Bacardi on the rocks and Pepsi Cola

Maybe you be that [?] youngster when you're a wee

older

Chip on your shoulder when you know you're an elite

soldier

Believe me, don't wanna see me on

When I hit TV, better leave me on

Spit telekinesis as far as it reaches

People can see I'm a beast at this

Hit the repeat and the heat don't be leavin' this

Got a chip on my shoulder and I'll bet you'll be shavin' it

[Chorus]

[Verse 2:]

Ay ay!

There's a chip there (too)
Got a bear you too
While I dare you
What I say to you might scare you
The rap's apostle'll possibly pop you
Wrassling hip-hop with a birds eye view
When I had on a mask since I was about two
So (they're gonna laugh) at me not you
Lyrically I'm the atrium
[?] when ya facin them
Never mind cause you hatin them
40 said if you do you do diligent
You could be killin em stacks you could [?] pill up their
philly [?]
Krizz I pissed in all of the cylinders
Even if we get crumbs for runs
The stadiums are still fillin up
We killin em
Anybody runnin up
The head on the snake and bat flyin mammals so
nigga what
Gone dig em up
Yo favorite rappers and start feelin em again
Kali'll kill em again

[Chorus]
