[Verse 1:]

'Cause ain't nothing but heartache,  
Still not amazed, at what you see before you  
I can't go, I can't stay  
Ooh, do tie, if we walk away  
Don't you, don't you want somebody to love you?  
Won't you, won't you need somebody to love?

[Hook:]

Don't even touch much  
Don't even talk to me  
Baby, free yourself  
'Cause you're not the one for me  
And it ain't no turning back  
Ain't no more, me and you  
Me and you  
Me and you

[Guitar Solo]

[Verse 2:]

See, I don't love you (Yes I do)  
You don't love me (You do too)  
We can't hardly get along, with the clothes on  
Everything I say is wrong, listen  
Hot in the kitchen; I can't take it  
All dem lil' folks thought we'd make it  
Ain't nothing left for me to do  
Cut loose from me to you

[Hook:]

Don't even touch much  
Don't even talk to me  
Baby, free yourself  
'Cause you're not the one for me  
And it ain't no turning back  
Ain't no more, me and you  
Me and you  
Me and you

[Verse: Tech N9ne]

I think we should stop...

Because I'm callin you from the studio askin' "You  
wanna see me or not? "

Being my beezy ain't easy, she won't see me a lot  
So when you creepin', deceiving, please believe me I'm  
hot

Why do I have to feel like I'm begging you-  
To be with me, puttin' me through this hell when I'm  
showin' you what Heaven do?

After all of these years, I never knew  
You would back off and slack off when I had to move  
and stop your monthly revenue  
Only wanted to love you but money seemed to be  
bigger

That's worse than us having sex, and you white, and  
calling me "nigger"

It's over baby, hope you get this message that I deliver  
It never was about loving, it was what I could give her  
It's crazy, crazy, (crazy)

I didn't hear from you in a year and found out you had  
somebody else's baby

No more me and you girl, I had to go  
Hit the do', now the only time you see me is at my show

[Hook:]

Don't even touch much  
Don't even talk to me  
Baby, free yourself  
'Cause you're not the one for me  
And it ain't no turning back  
Ain't no more, me and you  
Me and you  
Me and you
