Remember your brother, your father, your cousin, your friend

Life ain't over now matter fact it just began
I'm on a mission this is just the way it had to be
Can't be mad at me cause I'm tryin ta feed my family

When you think of me, picture this sad little boy ya know that's trapped in a grown man (grown man)
And when you picture me see me in the world full of fans alone and far from his homeland (homeland)
Cryin in reptition, feedin his family, bein the definition of hardcore (hardcore)

And tryin to be what you expected out of me, gotta be proud of me, without slavin over an hourly
I know it's feelin like I vanished in the dark, keep tamperin with what I'm so enamored with in this heart
Gotta come better, be better than the average competitor when I'm impressin the press and etc-etc-et cetera

It's lookin like it's easy but it easily eats at me, people need a piece of me but home is where I need to be
If you're lookin for me and don't see me just leave your loved ones for months and see who still wants to be me

If you wake up and I'm not there
Cry for me cause dammit I swear
Nothin ever can stand between us but...

Tiiiiime.....rewind

If you wake up and I'm long gone
Close your eyes and play my song
Nothin ever could stand between us but...

Tiiiiime.....rewind

If I could re-re-re-wind time I would (DE-BEAST ME)
have you be-be-be-hind N9ne baby
Cause I'm crazy, did dirt to a kind lady
At first you were mine maybe that hurt you that lying baby

Cause I was gone, in physical gone, in spirit gone, mentally long gone
Long enough for a nigga ta get near it

Now when you come home some other john is your
dearest
I put a million on that betchu thinkin of me when he rear
it

That's cool though, rappin shouldn't make you let your
boo go
Especially when the man is workin to get you dough
Back then I was strugglin, baby now it's a new show
Instead of a Maybach I guess you prefer a Peugeot

At night you're callin my name and drive him insane,
incredible pain, you got no monetary gain

I'm sorry baby that's comin from the heart of the N9ne
I know you're thinkin about me at this moment wishin
you could just.....rewind

If you wake up and I'm not there
Cry for me cause dammit I swear
Nothin ever can stand between us but...
Tiiiiime.....rewind
If you wake up and I'm long gone
Close your eyes and play my song
Nothin ever could stand between us but...
Tiiiiime.....rewind

Ohhhhhhhhhhhh (repeat x 6)
Rewind
Rewind
Rewind
Bet chu wish I could just rewind time
And just work a 9 to 5, wouldn't of found N9ne
Could of just found time to kick it with all who that I've
neglected
And find my place, a blank face in a office space

Cause I can't get it right get it right
Everybody ya know is steadily mad at me
Cause they be callin me
Ringin my phone
Wanna know whatsa matter with me when I'm traveling

I could just put the whole city behind me
Never let anyone find me
Drop off the face of the Earth
My vacation hurts em the worst
Yeah, explain it to my wife why daddy got ta go bye bye
Live out his dreams so bye bye
And dry-iy the eye-iy of my son and tell him why
Daddy been gone so long, only seein him off n on

And tuck him in for me
Maybe when I get back and he'll remember me and cry
for me
The big guy who had me and gladly died for me
And while you sittin idly
Wonderin what's inside of me
Rewind the times when you kicked it right along side of
me

If you wake up and I'm not there
Cry for me cause dammit I swear
Nothin ever can stand between us but...
Tiiiiime.....rewind
If you wake up and I'm long gone
Close your eyes and play my song
Nothin ever could stand between us but...
Tiiiiime.....rewind

(rewind sound)

Rewind
Rewind
Rewind
Rewind
Rewind

Baby...you're makin me sad
Make me feel good-good-good
