In a restaurant

Drinkin' beaujoulais wine

You're with your favourite girl  
And you're passin' the time

Well, you look through the paper

Five bottles later  
Holocaust in the roxy

You're lovin' your lady

I can see

I can see  
Burning bones of war

Ashes on the floor

There stands a soldier  
In a barbed-wire land

The fear of death in his eyes

And a bottle in his hand

But, now the wine he's drinking

It's got the taste of blood

No more plastic war movies

To show him what it's like

I can see

Burning bones of war  
I can see

Ashes on the floor

(Guitar solo)

I can see

Burning bones of war  
I can see

Ashes on the floor
