My love burns like Texas heat
I'm goin' up in flames
She got me back on sturdy feet
Now I'm on my way

Feeding on my wild desire
Heals my weary soul
Holds me down in a hellfire
'till I lose control

Firestar, firestar

She fixed my heart and broken dreams
Energized my head
Helped me find a will of steel
Saved me from the dead

Hold me babe 'cause I'm your man
Melt these heavy chains
I will give you all I can
To take away your pain

Firestar, firestar

So hold me babe 'cause I'm your man
Melt these heavy chains
I will give you all I can
To take away your pain

Firestar, firestar
Firestar, firestar

Burnin', burnin', burnin', burnin'
Firestar, firestar
Firestar, firestar, fire
