"Go My Way"

Here today and gone tomorrow
Yeah, that's the way that it goes
Can't hang around in a lifeless bar
I like to stay on my toes

Now there's a place where the music is loud
Hey, let me buy you a beer!
Where people laugh and the girls fall in love
Havin' a ball in here!!!

I go my way, follow my heart
This world of steel won't slow me down
I'm going my way

Livin' it up with the best friends

Havin' a thrill
Gotta whole lotta livin' and the adrenaline's high
Spin another refill
Out for the money
'scuse me while I kiss the sky

This is the place where the music is loud
And they sell the best beer, come on, yeah!
The girls are dancing 'n' making the boys proud
Havin' a wild time here!!!
