I am the animal  
My God, I am the beast  
I love to see you bleed  
So welcome to my feast

We're serving human flesh  
To keep you satisfied  
With every bloody bite you eat  
Another's going to die

Don't give me politics  
Don't give me public schools  
Just keep the cops and TV police  
From breaking all the rules

I am the raging bull  
No fear, no sympathy  
Sex and drugs and rock and roll  
That's my cup of tea

Feel the heat  
Throw your bodies into the fire  
Time to feed

Headhunter  
Headhunter  
Headhunter  
Headhunter

My axe is clean and sharp  
And blade is shining bright  
She's hungry for her midnight snack  
And heads will roll tonight

I am the hunter  
Not easy to please  
Stand in line, she cures their lust  
Victims on their knees

Feel the heat  
Throw your bodies into the fire  
Time to feed

Headhunter  
Headhunter  
Headhunter  
Headhunter

Headhunter  
Headhunter  
Headhunter  
Headhunter  
Headhunter
