I know you call me a dirty lover
But that's exactly what you need
It's not the talkin', not even the jokin'
It's bedtime action, baby, till you plead

Heatstrokes fire
Burnin' smoke, ooh yeah
Heatstrokes fire
Burnin' smoke

I've got to do it
Twice or more tonight
Ooh, baby, I need you
Your pants are so tight

Heatstrokes fire
Burnin' smoke, ooh yeah
Heatstrokes fire
Burnin' smoke

Let's get some shelter
I need it fast and hot
So take your umbrella
And we can do it on the spot

Heatstrokes fire
Burnin' smoke, ooh yeah
Heatstrokes fire
Burnin' smoke
Heatstrokes
