Aaw... gonna take it to the limit... yeah!  
Come on...

I've been pushin' my load uphill  
And my back is bent  
Now I'm lookin' for a thrill  
'cause the juice ain't spent  
Slippin' in for satisfaction  
Gimme a piece of your sweet love action  
'Fore the night is through...  
Gonna rescue you

'cause I'm a hellraiser  
funchaser  
hellraiser  
boneshaker!!

You sink me into oblivion  
When you let me in  
You make me feel like one in a million  
When you moan'n'grin... aw!  
Forget about the neighbours  
Lettin' it all hang out  
We're rockin' this joint  
I love to hear you scream and shout...  
aaaawww!!

I'm a hellraiser  
funchaser  
hellraiser  
boneshaker!!  
No one's beggin' for mercy... slipping and sliding' it in

Aww alright!

Chorus 3x

Come again... baby  
Mmmmmm gonna slide it right in... aww!
