Standing at the station
Waitin' for the train
No money for a BLT
Can't afford the plane

Sat me down in a smoker
Rolled me up a jay
Time is up, runnin' hot
This boy is on his way

I'm on the run, I'm on the run
Loaded like a gun
I'm on the run, I'm on the run
Silver bullet to the sun

I'm on the run, I'm on the run
Loaded like a gun
I'm on the run, I'm on the run
Silver bullet to the sun

Ooh, meet a million people
Tell me what to do
All the slimy leaches, yuk
Make me feel so blue

But the booze in the bus
Hot legs 'round the neck
State to state, coast to coast
Hey guys, I'll be back

I'm on the run, I'm on the run
Loaded like a gun
I'm on the run, I'm on the run
Silver bullet to the sun

I'm on the run, I'm on the run
Loaded like a gun
I'm on the run, I'm on the run
Silver bullet to the sun

I'm on the run, I'm on the run
Loaded like a gun

I'm on the run, I'm on the run
Silver bullet to the sun

I'm on the run, I'm on the run
Loaded like a gun
I'm on the run, I'm on the run
Silver bullet to the sun
