You all know about sixty-nine
Burnin' bones and bedside time
Once again we meet tonight
Get that touch of a magical light

We're gonna hit it, we're gonna kick it
We're gonna break out through the ice
You give us fever, you give us sweat
You're gonna make us live it twice

Tonight, long stick goes boom
Tonight, long stick goes boom
Tonight, long stick goes boom
Tonight, long stick goes boom

The time is right for a ride tonight
To be with you I'd risk a fight
My stick is tight, my blood is hot
Let's do it here, right on the spot

We're gonna hit it, we're gonna kick it
We're gonna break out through the ice
You give us fever, you give us sweat
You're gonna make us live it twice

Tonight, long stick goes boom
Tonight, long stick goes boom
Tonight, long stick goes boom
Tonight, long stick goes boom

Long stick, long stick
Long stick goes boom
Long stick, long stick
Long stick goes, it's gonna go, it's gonna go
It's gonna go, long stick gonna go
It's gonna go boom
