I, see you cryin'
I, see you dyin'
You, keep on tryin'
To stay, in my life

But there is no future
In our dream
A man on the run
I'm ready to scream
I'm dealin' with danger
Don't believe what you read
Try to forgive me
I'm not what you need

I, see you fallin'
I, hear you callin'
You keep on strollin'
All around my place

There is no future
In our dream
A man on the run
I'm ready to scream
I'm dealin' with danger
Don't believe what you read

Try to forgive me
I'm not what you need
No way to stay
No way to stay
I'm not what you need

There is no future
In our dream
A man on the run
I'm ready to scream
I'm dealin' with danger
Don't believe what you read
Try to forgive me
I'm not what you need
No way to stay
No way to stay

No way to stay
No way to stay
I'm not what you need yeah ow ow ow no
