I can tell by the way you hold your head  
Tell by the way you smile  
You're tellin' me lies  
But I don't need to know, it's your life

When we're together babe, it's love all the time  
Livin' in this heart of mine  
You tear me apart  
Now I don't wanna hear you start again

Please don't ask no questions  
And I won't tell you lies  
Diggin' in the dirt, only gonna hurt  
It's time you realized

If you got somethin' to say  
Go ahead n' fire away  
No matter what card you play  
It's you I've always needed

Our love will never die  
(Never die)  
Don't know why  
It's a feelin' inside

We both had lovers outta town  
Both like foolin' around  
It doesn't really matter  
Because we'll never fall apart again

Please don't ask no questions  
And I won't tell you lies  
Diggin' in the dirt, only gonna hurt  
It's time you realized

If you got somethin' to say  
Go ahead an' fire away  
No matter what card you play  
It's you I've always needed

Our love will never die  
(Never die)

Don't know why  
It's a feelin' inside

Our love will never die  
(Never die)  
Don't know why  
It's a feelin' inside

[Incomprehensible]

Don't know why  
It's a feelin' inside

Our love will never die  
(Never die)  
Don't know why  
It's a feelin' inside

Our love will never die  
(Never die)  
Don't know why  
It's a feelin' inside

It's a feelin'  
It's a feelin'
